**AUSTRALIAN UNDER 21 GOLF CROQUET CHAMPIONSHIPS**  
**Adelaide, South Australia, 12-14 January 2019**

**STANDARD CONDITIONS OF PLAY FOR ACA GOLF CROQUET EVENTS**

1. All events will be played under the 2018 WCF Rules of Golf Croquet, adopted by Croquet Australia from 1 January 2019, and the Australian Tournament Regulations (available on the ACA website).
2. The Australian Handicapping System is in force for this Tournament, and entrants are to have a current Golf Croquet handicap (ie in line with the changes from 3 April 2017). The Tournament Handicapper may assign a handicap, using the Appendix to the Rules of Golf Croquet.
3. Players are to ensure that they have their ACA Handicap Cards with them to present to the Tournament Manager or their representative before each event commences. Handicap cards should be completed after each match. If players reach a trigger point their handicap changes immediately after that game.
4. All competitors who have not already provided an address, telephone number or email address at which messages can reach them during the events should provide this information during registration.
5. Courts will be available for practice each day until 15 minutes before start times, and after the completion of play for the day, subject to requirements for dressing courts and maintenance. The Venue Manager's approval should be sought for such practice, and players' assistance in preparing and clearing lawns will ensure that this practice can continue.
6. Hoops will be set as near as possible to 3+11/16<sup>th</sup>". To allow for inaccuracies in gauges, balls, hoops and setting techniques, a tolerance of +/- 1/32" is allowed.
7. Hoops may be checked at any time on the request of the player in play. Any hoop out of specification will be reset. If a player suspects that a ball touching both uprights of a hoop simultaneously affected the outcome of a stroke he has just played, he is entitled to have the equipment checked and, if necessary, adjusted or replaced. If it is found that the ball does touch both uprights of that hoop on some axis, he may elect to replay the stroke, unless his turn has ended for another reason.
8. Dawson International balls and Quadway hoops will be used.
9. The Tournament Manager may change Court allocations and some games will be double banked.
10. There will be a Referee at each court to act as required. Where there are not sufficient referees present to be in charge of each game, referees will be supervisory.
11. Players' attention is drawn to Rule 16.3 of the WCF Golf Croquet Rules regarding Playing with Reasonable Despatch, and to Tournament Regulation 12.4 concerning responsibilities of players.
12. All games will be un-timed. However, the Tournament or Venue Manager may impose a time limit if necessary (see Tournament Regulation 16).

13. Players will wear foot wear which will not mark the court and provides adequate protection for themselves both on and off the court; and neat, clean attire which the Tournament or Venue Manager judges will not cause significant offence to others. A player in unsuitable clothing or foot wear will be given the opportunity to dress appropriately or will not be permitted to participate in the event.
14. Players are allowed a break of up to 5 minutes between matches and a lunch break of up to 30 minutes, but such breaks can be waived by mutual agreement of the players. No break is allowed between games in multiple game matches - games should be 'seamless' and players are expected to commence play in the second and third games immediately after the completion of the previous game. The Venue Manager will ensure games go on expeditiously to enable completion of the scheduled program.
15. Players must inform the Venue Manager if they wish to leave the Tournament Venue for any reason.
16. The Venue Manager decides whether play in any match should continue if the weather is deteriorating.
17. The Tournament Manager in consultation with the Board of Croquet Australia may alter the program, draw and other arrangements as are necessary in order to complete the tournament in the time available.
18. An appeals committee as per ACA Tournament Regulations shall determine any matters that are in dispute during the course of the tournament.
19. All winners of trophies are requested to obtain a quote for the cost of appropriate engraving and obtain approval re that quote from the Administrative Officer of ACA before proceeding.
