AUSTRALIAN GOLF CROQUET CHAMPIONSHIPS
OPEN SINGLES and DOUBLES
MELBOURNE VICTORIA
8 – 16 MAY 2021

STANDARD CONDITIONS OF PLAY FOR ACA GOLF CROQUET EVENTS

1. All events will be played under the 2018 WCF Rules of Golf Croquet adopted by Croquet Australia, and the Australian Tournament Regulations (on the ACA website).
2. The Australian Handicapping System is in force for this Tournament, and entrants are to have a current Golf Croquet handicap. Players are to give their ACA Handicap Card to the Tournament Handicapper before each event commences. Handicap cards should be completed after each game. If players reach a trigger point their handicap changes immediately after that game.
3. All competitors who have not already provided a telephone number or email address at which messages can reach them during the events should provide this information during registration.
4. Courts will be available for practice each day until 15 minutes before start times, and after the completion of play for the day, subject to requirements for dressing courts and maintenance. The Tournament Manager's approval should be sought for such practice, and players assistance in preparing and clearing lawns will ensure that this practice can continue.
5. Atkins quadway hoops will be used; set as near as possible to 3 11/16 inches for the Block & Plate games. To allow for inaccuracies in gauges, balls, hoops and setting techniques, a tolerance of +0 to -1/32 inch is allowed. Hoops will be set as near as possible to largest ball on court plus a clearance of 1/32" for the Knockout games. Players are asked to help set the hoops at the start of the day if required.
6. Hoops may be checked at any time on the request of the player in play. Any hoop out of specification will be reset. If a player suspects that the outcome of a stroke he has just played was affected by a ball being in contact with both uprights of a hoop simultaneously, he is entitled to have the equipment checked and, if necessary, adjusted or replaced. If it is found that the ball does touch both uprights of that hoop on some axis, he may elect to replay the stroke, unless his turn has ended for another reason.
7. Dawson International balls will be used.
8. Court allocations may be changed by the Tournament Manager and games will be double banked as required.
9. Ideally there will be a Referee at each court to act as required but - where there are not sufficient referees present to be in charge of all games - referees will be supervisory.
10. Players' attention is drawn to Rule 16 of the WCF Golf Croquet Rules book regarding Etiquette, which also covers expedition in play, and to ACA Tournament Regulations 12-14 concerning responsibilities of players.
11. Players will wear foot wear which will not mark the court and provides adequate protection for themselves both on and off the court; and neat, clean attire which the Tournament Manager judges will not cause significant offence to others. A player in unsuitable clothing or foot wear will be given the opportunity to dress appropriately or will not be permitted to participate in the event
12. Matches shall commence at **8.00 am** sharp unless otherwise indicated. Players are requested to be at their designated court before the scheduled starting time.
13. All games will start un-timed but the Tournament Manager may impose a time limit if necessary.
14. Players are allowed a joint 5 minutes of practice on the court allocated, before their first game of the day.
15. Players are allowed a break of up to 5 minutes between matches and a lunch break of up to 30 minutes, but such breaks can be waived by mutual agreement of the players. No break is allowed between games in multiple game matches - games should be 'seamless' and players are expected to commence play in the second and third games immediately completion of the previous game. The Tournament Manager will ensure games go on expeditiously to enable completion of the scheduled program.

16. It is mandatory for players to inform the Tournament Manager if they wish to leave the venue for any reason.
17. The Tournament Manager will decide whether play in any match should continue if the weather is deteriorating.
18. The Tournament Manager in consultation with the Board of Croquet Australia may make any alterations to the program, draw and other arrangements as are necessary in order to complete the tournament in the time available. If available, lights may be used at the Tournament Manager's discretion.
19. An appeals committee under ACA comprising the Tournament Manager, the Tournament Referee and a member of the ACA Board (or nominated representative) shall determine any matters that are in dispute during the course of the tournament.
20. Should an overseas player win an event, a perpetual trophy shall remain in Australia in the custody of the Executive Officer of Croquet Australia. All winners of trophies are requested to obtain a quote for the cost of appropriate engraving and submit that quote to the Executive Officer of Croquet Australia before proceeding.

SPECIFIC CONDITIONS OF PLAY

Tournament Headquarters are VCC at 65 Nobel Banks Drive, Cairnlea. All play will be at Cairnlea. This Program will be emailed to all players in each event, and available on the ACA website.

Golf Croquet Open Doubles Championship of Australia (8 – 11 May 2021)

The Draw was conducted by the ACA Events Committee using the ACA Seeding and Draw procedures. The World Ranking list current at 30 April 2021 was used for seeding purposes. The format for the Open Doubles is as follows.
