Frequently Asked Questions

Does the liability policy extend to cover all club activities?

The policy is designed to cover all “normal” activities of a Croquet Club, which includes the playing of croquet, coaching administration, and fundraising activities (such as raffles and barbecues). If the club intends to carry out activities that would not be considered “normal” club activities, we recommend you contact your Account Manager, Janelle Newton on 07 3847 0408 to confirm the activities are covered.

Are non-members regularly attending a club to play socially among their own group covered?

The public liability policy covers the named insured in the event they cause property damage or bodily injury to a third party where they are deemed negligent. The club has a duty to ensure the grounds are safe for members, non-members and third parties entering the grounds. In this situation should a non-member attend the club and injure themselves as a result of the clubs’ negligence, the policy would respond.

Non-members however are not covered under the personal accident policy.

Is it compulsory to follow a COVID safe plan?

Your insurer may have the right to deny indemnity under the policy if you have not complied with your policy terms and conditions (such as taking reasonable care to avoid a claim). We therefore recommend that follow all requirements and recommendations as recommended by both State and Federal Governments in relation to COVID.

How do I obtain a current certificate of currency?

Certificates of currency are provided to your state’s head office at the beginning of each policy period. If you require another copy, please email your request which clearly details your club’s name and interested party details (if applicable) to sq@ribpl.com.au or contact 07 3847 0400.
