**Adelaide, South Australia**

**GOLD & SILVER MEDALS, MEN'S & WOMEN'S SINGLES & WCF INTERSTATE SHIELD**  
**7 – 18 SEPTEMBER 2022**

**STANDARD CONDITIONS OF PLAY FOR ACA GOLF CROQUET EVENTS**

1. All events will be played under the 2022 WCF 6<sup>th</sup> Edition Rules of Golf Croquet adopted by Croquet Australia, and the Australian Tournament Regulations (see the ACA website).
2. The Australian Handicapping System is in force for this Tournament, and entrants are to have a current Golf Croquet handicap (ie in line with the changes from 3 April 2017). The Tournament Handicapper may assign a handicap, using the Appendix to the Rules of Golf Croquet.
3. Players are to ensure that they have their ACA Handicap Cards with them to present to the Tournament Manager or their representative before each event commences. Handicap cards should be completed after each match. If players reach a trigger point their handicap changes immediately after that game.
4. All competitors who have not already provided an address, telephone number or email address at which messages can reach them during the events should provide this information during registration.
5. Courts will be available for practice each day until 15 minutes before start times. Practice may also be available after completion of play for the day, subject to requirements for dressing courts and maintenance. The Venue Manager's approval should be sought for practice, and players' assistance in preparing and clearing lawns will ensure that this practice can continue.
6. Players may hit-up for 5 minutes before their first game in a match.
7. Hoops will be set as near as possible to 3+11/16". To allow for inaccuracies in gauges, balls, hoops and setting techniques, a tolerance of +0/ -1/32" is allowed.
8. Hoops may be checked at any time on the request of the player in play. Any hoop out of specification will be reset. If a player suspects that a ball touching both uprights of a hoop simultaneously affected the outcome of a stroke he has just played, he is entitled to have the equipment checked and, if necessary, adjusted or replaced. If it is found that the ball does touch both uprights of that hoop on some axis, he may elect to replay the stroke or leave the ball where it ended, unless his turn has ended for another reason.
9. Dawson International balls will be used.
10. The Venue Manager may change Court allocations and games may be double banked.
11. There will be a Referee at each court to act as required. Where there are not sufficient referees present to be in charge of each game, referees will be supervisory.
12. Players' attention is drawn to Rule 16 of the WCF Golf Croquet Rules re Behaviour, which also covers expedition in play; and to Tournament Regulations 12-14 concerning responsibilities of players.
13. All games will start un-timed. However, the Tournament or Venue Manager may impose a 15 minute time limit to a game if necessary (see Tournament Regulation 16). On the bell, play will continue until each ball has played twice more. Then check the score to see if there is a winner. You only finish the current hoop if the score is then tied (Rule 19.1.3-19.1.5).

14. Players will wear footwear which will not mark the court and provides adequate protection for themselves both on and off the court; and neat, clean attire which the Tournament or Venue Manager judges will not cause significant offence to others. A player in unsuitable clothing or footwear will be given the opportunity to dress appropriately or will not be permitted to participate in the event.
15. Players are allowed a break of up to 5 minutes between matches and a lunch break of up to 30 minutes, but such breaks can be waived by mutual agreement of the players. No break is allowed between games in multiple game matches - games should be 'seamless' and players are expected to commence play in the second and third games immediately after the completion of the previous game. The Venue Manager will ensure games go on expeditiously to enable completion of the scheduled program.
16. Players must inform the Venue Manager if they wish to leave the Tournament Venue for any reason.
17. The Venue Manager, in conjunction with the Tournament Manager, decides whether play in any match should continue if the weather is deteriorating.
18. The Tournament Manager in consultation with the Board of Croquet Australia may alter the program, draw and other arrangements as are necessary in order to complete the tournament in the time available. If available, lights may be used at the Tournament or Venue Manager's discretion.
19. An appeals committee as per ACA Tournament Regulations shall determine any matters that are in dispute during the course of the tournament.
20. Should an overseas player win an event, the perpetual trophy shall remain in Australia in the custody of ACA. All winners of trophies are requested to obtain a quote for the cost of appropriate engraving and obtain approval re that quote from the Administrative Officer of ACA before proceeding.

## WCF Interstate Shield for Golf Croquet Teams (14-18 Sept 2022)

1. On the day scheduled for any test:
  - i. The names of the players, including doubles pairings, shall be notified by each Captain, Vice-Captain or Team Manager to the Tournament Manager or Venue Manager at least 20 minutes before the commencement of each test. In each test four men players and four women players must be selected to play singles but the players selected to play doubles can be different members of the team from those playing singles. The order of play for singles matches shall be in accordance with the GC World Ranking List at 31 August 2022 - which will also be used for the Gold & Silver Medals and in the Men's & Women's seedings. Doubles teams are not required to conform to world rankings;
  - ii. Individual members of teams may be varied for each separate test. Apart from the arrangements permitted under clause 2, individual members of a team may not be varied **during a test**, unless a player is incapacitated by sickness or accident (but not for a pre-existing illness or condition). In such event, a reserve player may fill his or her place in the team for any match not already commenced, except for the second round of singles. Such substitution must be reported to the Captain of the opposing team and be sanctioned by the Venue Manager in consultation with the Tournament Referee. The second round of singles must be played with the same players who played in the first round of singles of that test. If a player is not available for the start of their second singles match in a test, then a forfeit will be awarded (score 7-0, 7-0). If a match is started but is unable to be completed, it will be conceded (the score recorded as 7 to the winner and the score to the opponent as at the time of concession).
2. Each team is entitled to nominate one or more players, any of whom may, **prior to the commencement of the test**, act as a substitute for a player, if the nominated reserve is not available. If the occasion arises that no substitute is readily available, a reasonable time shall be allowed to obtain a substitute, and the Team Schedule shall be adjusted accordingly. If the team concerned is unable to nominate a substitute within the given time, the match for that player shall be forfeited (7-0, 7-0).
3. Each team will play every other team once. A test comprises twenty matches: 4 mixed doubles and 16 singles. Mixed doubles shall be played first, then the singles, women versus women and men versus men. In the Mixed Doubles, States may pair any male and female player together and then determine which of their four pairs are to be 1, 2, 3, and 4. Matches, each of two 13-point games, shall be played in the following order:
  - Court 1: Mixed Doubles 1, MA1 v MB2, WA1 v WB2, MA2 v MB2, WA1 v WB1.
  - Court 2: Mixed Doubles 2, WA2 v WB1, MA2 v MB1, WA2 v WB2, MA1 v MB1.
  - Court 3: Mixed Doubles 3, MA3 v MB4, WA3 v WB4, MA4 v MB4, WA3 v WB3.
  - Court 4: Mixed Doubles 4, WA4 v WB3, MA4 v MB3, WA4 v WB4, MA3 v MB3.
4. Team Captains will toss before each test to determine which State plays as "A" and which plays as "B".
5. To ensure that each side starts one of the two games in each match, Rule 5.3.2 is varied and the side that played Red & Yellow is to start first in the second game, using either of their partner balls, regardless of who won the first game.
6. There will be a time limit of 120 minutes to complete the first game in each match, and 60 minutes for the second game, but unused time from the first game will be added to that available for the second game. On the bell, play will stop when all balls come to rest, and you only finish the current hoop if the score is currently tied. Any time taken to play an extra hoop does not come off the 60 minutes for the second game – 60 minutes is a minimum. **Clocks will not be stopped** even if play is held up by a double-banked game, but **as soon as possible** the held-up game will play through (and in this case only, the game allowing play-through stop their clock for the duration of the play-through).
7. Should a team be unable to complete all tests, scores for and against that team will be deleted from results.
8. The team that wins the most matches wins the test and scores one (1) test point, but:
  1. if matches are equal (and therefore net games are equal, the team that wins most net points;
  2. if scores are still equal, the test shall be a tie and each team shall score half (1/2) a test point.
9. The winner of the Interstate Shield is the State Team scoring the most test points, but:
  1. If test points are equal, the team that wins the most net matches in all tests;
  2. if net matches are equal, the greatest number of net games in all tests;
  3. if net games are equal, the greatest number of net points in all tests;
  4. if net points are equal, the winner of the test between the teams.If this test was tied, both State teams shall share the trophy.
10. The Tournament Manager is authorized to make decisions to vary the conditions of play as required; and in particular to ensure that as far as possible, each Interstate Shield test is completed in one day.
