Australian Croquet Academy Report

Member Management Platform

Currently, this project has been put on hold by the ACA Board until a new CEO has been appointed.

Decisions are needed for the following points:

- 1 To approve the schedule provided for the national roll out of the Member Management Platform.
- 2 To decide if a MOU agreement should be used for all states Data (a template has been provided).
- 3 To continue with the existing contracts.
- 4 To provide all states with a website homepage (quote provided).

Jamie Wilson/ Coordinate

A proposal to rebrand Croquet Australia with a national marketing campaign was provided to the ACA Board for approval in Oct/Nov.

Coordinate have now been short listed to complete the logos and marketing for the Brisbane Olympic Games. If a decision is not made regarding their proposal by Jan 1, it is possible Jamie's team at Coordinate will have too much work to complete our project in a reasonable timeframe or to be able to sign a contract.

Online Magazine

A page-by-page summary has been completed. The Summer Edition will be available in early January.

Sport Community Update, TidyHQ and Coaching Cohort

Are currently working together on a much cleaner interface and combining their knowledge to create a much better experience for all users of the new Member Management Platform.

Special thanks to John Hayes for initiating and making this happen.

I still have a lot of work to complete in this space (developing croquet specific resources and materials).

Youth Training Program

Have completed a list of all tasks to be completed and updating the project plan. (Still lots to be done and will need additional help early next year.)

Working with Murray Tinker to produce the necessary videos for all alternate games and promoting the new School Sport's Program.

MacRobertson Shield Support

Did everything I could to support this major event behind the scenes, on the ground and on social media.

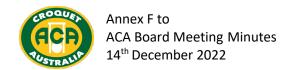

Well done and thank you to all the volunteers and players for their support and contribution.

CEO Report

I will be providing the new CEO with a detailed report of what the Australian Croquet Academy has achieved and the project plans for 2023 and beyond.

Asia Pacific Gateball Union (APGU)

We have advised the APGU of the change of NCGB and they have acknowledged the change. APGU require two appointed officers from Australia and NCGb has been appointed as Vice Chairman and John Park has remained as an Executive Director.

Engagement with other International Gateball Associations

An ACA/Gateball Australia letter issued to all member organisations of the WGU and APGU in October to introduce the NCGb and ask that all communications with Australian players be directed through the NCGb.

In November, the International Engagement for Gateball Policy was finalised and was circulated to all State Coordinators and to players through the Gateball Google Group.

India, Thailand and Korea have invited Gateball Australia players to play at their tournaments planned for January, February and May 2023 respectively.

Some International Gateball Associations have already expressed interest in the Australian Gateball Championships 2023 and have been provided with information as requested.

Australian Gateball Championship 2023

The Australian Gateball Championships will be held in September 2023. The first meeting of the AGC committee was held during October. Preliminary discussions about task allocations and the budget occurred.

International Event Coordination Network (IECN)

Engagement with the IECN commenced for the Australian Gateball Championships 2023 with the event registered in September and discussions held with the Border and Events Visa officers in November. A timeline for promotion of the event, expressions of interest from international teams, invitation letters to support VISA applications and VISA requirements and processing timeframes for international players has been confirmed.

Expansion of Gateball playing members

Gateball player numbers continue to grow in most states. Driven by enthusiastic coaches, we have seen new players in regional Victoria. The club hub structure in NSW has encouraged new Gateball players in locations like Port Macquarie. With the Queensland State Coordinator of Gateball, Robert Roose, and other local coaches, Gateball has been introduced to the Wide Bay Burnett region in Queensland. Members of the Point Lookout club at Maryborough participated in their first tournament in November. South Australia has also seen a growth in the number of clubs playing Gateball. Discussions have commenced with the WA State Coordinator for a visit in February 2023.

Gateball Coaching

New coaches from Level 1 to Level 3 and coach presenters have been accredited in NSW, QLD, VIC and SA. We continue to work with the National Coaching team to ensure that all Gateball coaches can access the Learning Management System.

National Coordinator of Refereeing Gateball (NCRGB)

Since November 2021, the 'Gateball Australia Referee Accreditation and Reaccreditation Framework' has been under review. Throughout November, the Referee Committee has spent over 20 hours in meetings providing feedback on the Framework and supporting documents including a referee logbook, assessment checklists for practical exams and updated written exams for Level 1 and 2 referees. The Framework will be presented to the ACA Board for approval in December.

The Gateball Australia Tournament Regulations are the next focus for the Referee Committee.

Level 1 and Level 2 Referee classifications were reversed and new badges have been ordered. The transition of referees between the classifications will be completed by State Coordinators in 2023. Referee assessments were held in Queensland in November and more assessments will be held in South Australia in December for SA, NSW and QLD candidates.

High Performance Manager – Gateball (HPMGb)

The HPMGb has commenced work on the Captains Development Program which will be delivered in May 2023 with the support of Level 3 Gateball coaches. The HPMGb is also looking at innovative ways to engage with Gateball players and captains to develop strategic thinking.

Gateball Selection Committee

The Selection Committee recommended the Australian squad for 2022 and this was approved by the Board in November. All players have been advised. A Gateball Australia Selection Policy will be developed prior to the 2023 selections.

Gateball Australia Website

The Gateball Australia website required a significant amount of handover and upgrading to be conducted during the month of November and was offline from the 6th to 26th November. We engaged web developer Alison Maugham who has been invaluable in getting us back online.
