Other Matters

- AC Laws, 7th Edition: Mike Cohn, NCRAC, has collected all three versions of the AC Law Books from the printers. He has distributed some to States to enable reaccreditation of referees to proceed, maintain records of this distribution and mailing costs. I will bring the books to Canberra when I attend the June Board meeting.

Executive Officer Report

• Tournaments & Events ○ Golf Croquet Open

- GC Open Singles: The GC Open is the first scheduled event for ACA since Covid restrictions. The Singles event has received 29 entries with 27 of these entries using the website online entry system for the first time.
- GC Open Doubles: The Doubles events has received entries of 10 pairs at the moment. All 10 entries have been received via the online entry system.
- Entries are down on the last time the event was held. The 2019 event had 47 entries for the singles and 25 pairs for the doubles. This is a reflection of the uncertainty around possible Covid restrictions.

Association Croquet Patron's Trophy

■ The AC Patron's have only received 2 expressions of interest at this stage. The event attracted 12 entries in 2019. Further advertising will be done over the next couple of weeks to increase interest.

Australian Gateball Championships

- On Thursday the 15th of May I met with the National Gateball Coordinator, John Park. We discussed the upcoming (September) National Gateball championships which are schedule for September on the gold Coast.
- One of the discussion points was the development of an online entry form for the event. This will make entering the event a simple process for the player, administrators and the ACA finance Officer. The entry form is schedule to go live on the website by mid-May.
- With the event being held at the Gold Coast Performance Centre where there is a cost involved in hiring the venue. In the event of a Covid lock down there is a reserve date booked for April 2022. The National Coordinator has requested if a cancellation has to be made due to Covid, are ACA able to assist with any costs involved? I have asked National Coordinator to provide me with a break up of possible costs.

ACA Office relocation

■ The ACA office is now located in Building 9, 65 Tennant St Fyshwick. I have advised all the States of the change of address and made the necessary changes to the website and social media pages.

Finance Officer

■ The ACA Finance Officer, Anne Mann has made the decision to retire. Anne submitted her resignation on the 8th of April. Anne will cease employment with the ACA on Thursday 27th of May. I have updated the duty statement for the position and will advertise the vacancy as soon as possible.

June Board Meeting (face to face)

 Parbery Consulting has kindly allowed ACA use of their Board room for the face-to-face meeting. We are tentatively booked in for the 5th and 6th of June. Once dates are confirmed I will advise Parbery and organise catering.

National Coaching Course Rollout

o The Canberra Croquet Club was scheduled to host the National Coaching course roll out on 2nd, 3rd and 4th of February. Canberra Croquet club house didn't have adequate facilities to hold the sessions so they had to hire other venues. As a result, Croquet NSW have requested that ACA split the costs which was \$300. This includes cost of conference facilities at Goodwin Village on the 2nd, Queanbeyan Bowls club on the 3rd and lawn hire at Canberra Croquet Club on the 4th.

Audit of 2021 Financials

 I contacted Assurance Matters regarding the 2021 ACA Audit. They have agreed to audit our financials again in 2021. Assurance Matters will send ACA a quote.

Game Plan update

Queensland University have done a magnificent job correlating the results.

User friendly tools have been built to provide ongoing monitoring of the results and sharing with Clubs and Associations their opportunities.

Due to the number of Clubs now participating SportAus have agreed with The Academy to redesign the questionnaires to be more croquet specific.

For example: How many members play Golf, Association, Ricochet and Gateball on a regular basis?

National Grants Working Group

In the process of putting together a National Grants working group for the Academy.

The objective is to have a structure in place where all grants are identified and communicated to Clubs.

The Academy Club Support feature on the website will include templates and subject matter experts available for consultation.

If anyone would like to become a Subject Matter Expert and invest in our future please contact me.

National Youth Training Program There
