If conditions are considered "easy" (eg soft ground), this clearance may be reduced to a minimum of 1/64" if the TR & TM jointly agree that doing so is both practical and will not require the imposition of time limits that would otherwise have been unnecessary;
 - (b) 3 11/16" with an upward tolerance of zero and a downward tolerance of 1/32" for the Singles and the Eire Cup, except that the Men's Semi-Finals & Final will be set to largest ball on court plus a clearance of 1/32" since 12 players have a dgrade of 2100 or better:

2024 Eire Cup Conditions of Play

- 1. On the day scheduled for any match
 - a) The names of the players & order of play, including doubles pairings, are to be notified by the Captain or Vice Captain to the Venue Manager or Assistant Venue Manager at least 20 minutes before the commencement of each match. In each match only four men players and four women players may be selected to play singles but the players selected to play doubles may be different members of the team from those playing singles. The order of play for singles games is to be in accordance with world rankings as at 20 February 2024. Doubles teams are not required to conform to world rankings;
 - b) Individual members of teams may be varied for each separate match. Apart from the arrangements permitted above, individual members of a team may not be varied during a match, unless a player is incapacitated by sickness or accident. In such event, a reserve player may fill his or her place in the team for any game not already commenced in such match except for the second round of singles. Such substitution must be reported to the Captain of the opposing team and be sanctioned by the Venue Manager in consultation with the Venue Referee. The second round of singles must be played with the same players who played in the first round of singles of that match. If a player is not available for the start of the second singles game in a match then a forfeit will be awarded. If the game is started but is unable to be completed then it will be conceded.
- 2. Each team is entitled to nominate one or more players, any of whom may, prior to the start of the match act as a substitute for a player if the nominated reserve is not available. If the occasion arises that no substitute is available, a reasonable time will be allowed to obtain a substitute, and the team schedule is adjusted accordingly. If the team concerned is unable to nominate a substitute within the given time, the singles game(s) for that player is forfeited (26-0).
- 3. A player, once replaced by a reserve or substitute, cannot play again that day, but may play again on subsequent days.
- 4. Each team plays every other team once. A match consists of twenty games, four mixed doubles and sixteen singles. Mixed doubles will be played first. The States may pair any man and women player together and determine which of their four pairs are to be 1,2,3,4. Following the mixed doubles singles are played women versus women and men versus men.
- 5. Should a team be unable to complete the series of matches, scores for and against that team are deleted from all results.
- 6. The team winning a match is the team that wins the most games, but:
 - a) If games are equal, the team that wins most net points.
 - b) If scores are still equal, the match is a tie and each team scores half (1/2) a point.
 - c) The team winning the match scores one (1) point.
- 7. The winner of the Interstate Cup is the team scoring the greatest number of matches.
 - a) If matches are equal, the team scoring the greatest number of games during the series.
 - b) If games are equal, the team scoring the greatest number of net points in the series.
 - c) If the number of net points in the series is equal, the winner is decided by the result of the match already played between the teams involved in the tie.
 - d) If (c) was a tie, the trophy is shared.
