## INTRODUCTION

The following text outlines the procedure for coach accreditation and re-accreditation in Australia. This process complies with the requirements of the Australian Sports Commission. Those who want to remain or become accredited coaches must complete the Sports Australia [Community Coaching - Essential Skills](#) online course as part of the accreditation process.

We encourage you to complete the [Anti-Doping Fundamentals Course](#)

- You may also choose to complete the Anti-Doping Coaches Course once you have completed the Anti-Doping Fundamentals

All coaching applications and upskilling requests need to be approved by the State Coaching Coordinator (SCC) of each State. A copy of the Application for Coach Training is [HERE](#)

If an application is unsuccessful a potential coach can appeal to Croquet Australia via email: [admin@croquet-australia.com.au](mailto:admin@croquet-australia.com.au)

Under special circumstances, a potential coach may also be eligible to use Recognition of Prior Learning (RPL).

## RESPONSIBILITY OF TRAINING

The training of coaches at Level 1 and Level 2 is the responsibility of SCC in each State and may be delegated to appointed Presenters and/or Assessors.

The training of coaches at Level 3, and above, is carried out by Presenters and/or Assessors appointed by the National Coaching Coordinator (NCC).

Initial Presenters and Assessors for all levels were trained during the initial rollout of the training program. Additional Presenters and Assessors should only be trained on a need basis which can only be conducted by the SCC or NCC.

A copy of the application to become a Presenter and/or Assessor is available from the SCC. The SCC and NCC review all applications. When assessing applications, the SCC recommendation will form a major part of the approval process. Weight will also be given to the number of Presenters already trained in the State and the current workload of each Presenter. We are seeking quality, not quantity of Presenters in each State to ensure a high standard of training is provided every time.

## CROQUET AUSTRALIA REQUIREMENTS

All applicants must hold a current Working with Children Check (WWCC) (or equivalent in your State or Territory) before attending any training. Coaches must hold a current WWCC to maintain their coaching qualification.

Only Croquet Australia accredited coaches are recognised and qualified to coach representative teams and players. These coaches **MUST** have completed the [Anti-Doping Fundamentals](#) course.

## ELIGIBILITY FOR TRAINING

To be eligible for training as a coach, certain prerequisites **MUST** be met before attending any coaching program.

## MAINTAINING ACCREDITATION

To achieve reaccreditation after 4 years a coach must:

1. Be actively involved in coaching
2. Maintain a log book
3. Accumulate a total of 30 points
4. Attend at least one update workshop

Points may be accumulated as follows:

- For a minimum of 30 hours of coaching 30 points
- Conduct a Level 1, Level 2, Level 3, or Level 4 course 1 point for each hour
- Attend a Level 2, Level 3, or Level 4 training course 1 point for each hour
- Conduct a refresher course for any level 1 point for each hour
- Attend a refresher course for any level 1 point for each hour
- Assist at a State organised coaching clinic 1 point for each hour

## LAPSED ACCREDITATION

Players should apply to complete a training course prior to their accreditation expiring.

Players may apply for training and RLP if their accreditation has expired within 6 months of their application being submitted.

Players **MUST** provide a copy of their Logbook to provide proof they have been active during the past 18 months.

Players who apply after 6 months of their accreditation lapsing **MUST** start their coaching accreditation again using the prerequisites listed above.

## RECOGNITION OF PRIOR LEARNING (RPL)

RPL process may be considered for the following circumstances:

- Have played in events outside their home club, state, or national level (special circumstances may apply);
- Have a minimum of 12 months of active coaching experience at Levels 1, 2, 3 (special circumstances may apply);
- Accreditation expired less than 6 months ago.

RPL process cannot be used for the following circumstances:

- In the event of someone not wanting to complete a working with children's check.
- If an Umpire or referee qualification is required.
- If a Level 1 applicant does not have 12 months experience as a Player.
- If a Level 1 applicant does not have a basic knowledge of the Laws/Rules.
- Not be recommended by the Club Coaching Coordinator/Club Captain.

Players who wish to apply for RPL should complete the application form and forward it with their application for coach training to their SCC. The SCC considers the application for RPL and submits a recommendation to the ANCC for approval. The ANCC will consider the application, in consultation with the NCC, and inform the SCC if the application is successful.

A copy of the Application for RPL is available at the end of this document.
