The player may appeal this decision under the appeals process detailed in Section 10 below. If a player is unable to play in an event that they have been selected for, both the Selectors and the individual player involved should try to resolve the matter immediately.

6.3 Performance elements

Performance in High-Calibre Events

- 6.3.1 Selection of players to Representative Teams will largely be based on playing performance in the Australian Gateball Championship (AGC) and State Gateball Championships. The Selection Committee will provide the most weight to performance in the most recent Australian Gateball Championships and, to a lesser extent, State Championships. Players need to ensure that they participate in events that will be considered by the Selectors.
- 6.3.2 Players should have participated in the most recent AGC event and the most recent State Gateball Championship for the State in which they are affiliated, unless there are extenuating circumstances (see Section 6.4).
- 6.3.3 The Selection Committee:
- 6.3.3.1 May publicly specify that players' performances in a set of specific events (in addition to the AGC and State Gateball Championships) shall be a contributing factor in the process of selection for a specific event or events. If so, this must be advertised at least six months prior to the event(s) in which players' performance will be assessed.
 - 6.3.3.2 Will normally only consider events that have been conducted in the last 24 months, unless they specify otherwise (as outlined in 6.3.3.1).
 - 6.3.3.3 Will assess players' performances predominantly in team games but may also consider performance in doubles games.

Additional Player Issues

- 6.3.4 Selectors will also evaluate players against the following criteria:
- a) attitude to officials, tournament managers, referees, team managers, High Performance Manager, team captains, team coaches and other players;
 - b) compatibility with, and support of, other squad/team members;
 - c) willingness to assist the High Performance Manager and/or team coach/team captain in developing a good working relationship with the team members;
 - d) be a good ambassador for the sport, Gateball Australia and the country;

- 6.4.3 In the case of illness or injury, players may be required to undergo a medical examination by a doctor.
- 6.4.4 In the case of bereavement, equipment failure, travel delays or other extenuating circumstance, a decision will be made by the Selection Committee on an individual basis.

- 6.6.6 Players in the selection pool will be provisionally allocated to teams, either as team members or reserves, by Team Captains, using the remaining selection criteria. Not all players in the selection pool may be allocated to a team if there are more players eligible for selection than places on teams.
